Dear Professor,

I hope you are doing well. I am writing to request a short extension for the submission of my assignment, which is currently due on 25/03/2026.

Due to unforeseen circumstances, I was unable to complete the assignment to the best of my ability within the given time. I would be grateful if you could kindly grant me an extension until 31/03/2026.

I sincerely apologize for any inconvenience caused and assure you that I will submit the work at the earliest.

Thank you for your understanding.

Sincerely,
Atharva Desai
